**SESSION 2018-19**

**E**very ending leads to a new beginning. The end of session 2017-18 heralded the New Academic Session 2018-19 started on 3rd of April 2018 with 'Havan' and witnessed the oblations of pledges by the whole staff and students for attaining the common goal of institution - moral uplift and holistic growth. Here is the glimpse.

## **ACTION & (APRIL 3 to 13, 2018) ADVENTURE CAMP**

**T**o warm up the whole staff and students, going beyond the parameters of formal schooling, this ten day camp channelized the fresh energy and enthusiasm of the students in multiple streams of knowledge and practice to face life's reality and attain tons of entertaining experiences while learning new skills under due supervision of professional instructors.

Students were coached and trained in badminton, cricket, basketball, football, table tennis, taekwondo, debating, creative writings, art and craft, dance music, yoga and dramatics by renowned **Helen O Grady** group of International repute and **Arif Shadoli** an alumnus of **Bhartendu Natya Academy** a well known artist of Indian Cinema and T.V. and rope climbing and rappelling under expert tutelage of **Vartman The Fun Learning Club**. Participants were awarded certificates of appreciation for their active involvement.

**All the World is a Stage**

**Watch my Moves**

## GOOD FRIDAY (APRIL 13, 2018)

An assembly marked with holy prayers and preaching of Lord Christ was conducted by Perseus House to commemorate Jesus Christ's supreme sacrifice and His immortal utterance from the Holy Cross about forgiveness, love, equality and kindness.

## BAISAKHI

(APRIL 13, 2018)  
On behalf of Cepheus House, **Megha Papola** of class IX A-2 apprised students' assembly about the religious, social, cultural and historical importance of Baisakhi; a harvest festival of zeal and jest. Remembering the toiling farmers and praying for fortune to continue for a good harvest, **Diya** of class VIIA conducted a quiz covering the topic of the Day. Students spiritedly responded, enjoyed and inculcated the values associated with the day.

## ORIENTATION PROGRAMME

(APRIL 14, 2018)  
Orient means to rise. All of us howsoever successful need orientation to further excel. With this motive Principal **Mrs. R.K. Bisht** along with enthralling rendition on orchestra by the students of class VI welcomed and introduced the parents of new entrants to the functioning and ethos of BLM Academy. **Mrs. Poonam Kawatra, A.O. Junior Wing** discussed the importance of parents, child and teacher and averred that a student requires positive parenting and inspiring teaching to help him/her grow into a worthy citizen. The first interesting and fruitful interaction with new parents concluded with vote of thanks by **Ms. Manju Thwal** on behalf of the host **AQUILA HOUSE**.

## AMBEDKAR JAYANTY

(APRIL 14, 2018)  
Ambedkar Jayanty was celebrated to commemorate the achievements of Baba Saheb, the Father of Indian Constitution who always advocated social liberty, equality and justice. His rich profile presented by **Poorva Karki** and **Disha** and poem by **Mahi** and **Mansi** of class VII motivated the students to touch the pinnacles of success with the help of self determination and dedication.

# WORLD EARTH DAY

(APRIL 22, 2018)

Theme: 'End of Plastic Pollution'

Mother Earth is a source of life, not a resource.

Man being selfish naturally, with his entire demeanour towards possession has exploited nature to the maximum. Thus, began the journey of ecological havoc. World Earth Day celebration, organized by **Perceus House** commenced with awakening speeches of **Anushka and Arushi** of class IX A, poem recitation by **Kartik, Pradeep and Ritesh** of class IX and a small skit displayed by the students of class X. Through interesting activities of **Sapling Plantation, Slogan Writing** and conducting **Environmental Quiz**, students vowed to save their mother earth so that it may be available for the generations ahead. In BLM only trash is collected and sent for recycling every Saturday.

# INTERNATIONAL LABOUR DAY

(MAY 1, 2018)

From majestic monumental beauty of The Taj to all comforts and facilities that a man needs is the product of labour. Labour is the producer of real wealth and thus, is a national asset.

To celebrate the dignity of labour, **Community Club** took the onus of holding a special assembly to honour the support staff in the school. They were entertained with interesting fun games which they participated enthusiastically in. They were felicitated with gifts and awards for their incessant services to the institution.

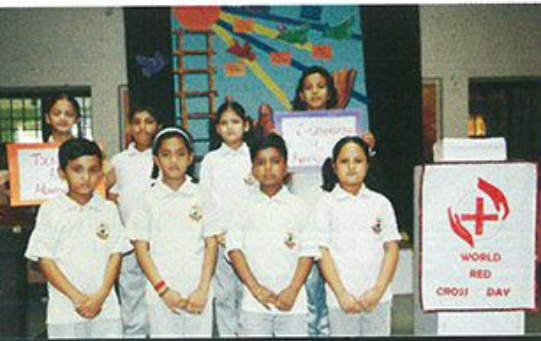

**Riddhi of class XA highlighted the historical event of May Day and Navya Dumka of class VIIB recited a poem on the value of hard work.**

Honouring the Helping Hands

## INTERNATIONAL RED CROSS DAY (MAY 8, 2018)

Red Cross Society, initiated by Henry Dunant the first peace Nobel laureate, celebrates its pioneer's birth anniversary on 8th May to recognize the achievements and contributions of millions of volunteers who strive to protect life, health and human dignity from war, emergency and natural calamities. Students in junior wing prepared First Aid Box and **Eco Club** arranged for an enlightening documentary film on Red Cross Day which sensitized the children to lend an instant possible help to save one's life.

## NATIONAL TECHNOLOGY DAY (MAY 11, 2018)

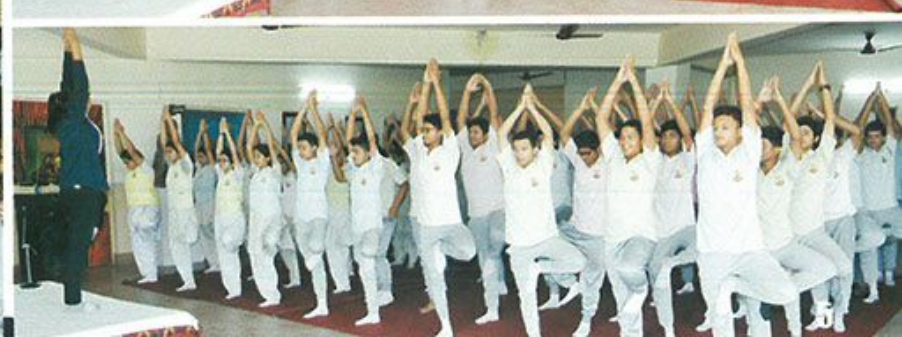

Human tendency towards comfort and luxury has always acted as primary motivators to technological progress. Providing wings to our imagination and enabling impossible to become possible technology makes our dreams a reality. Aquila House acquainted the morning assembly with the new developments in technology. The event let the students explore their technological talent in Robotics and C++ programming

## International Yoga Day

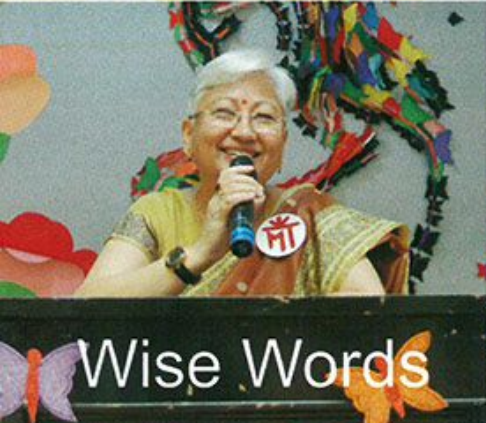

(June 21, 2018)

Yoga, once the hegemony of Bharat is the most practiced regime across the world today. This time tested panacea for all physical and mental disorders ensures global peace and harmony too. The program started with Yoga Day Oath administered by Yoga mentor **Ms. Nita Deolia** amidst the recital of Vedic Mantras by **Dr. Abha Pant**, followed by an interactive discussion on disease free healthy life. Dr. Abha urged to all to strive for holistic health and for that Yoga should be made the way of life. Yoga Day celebration culminated with Mass Yoga Session participated by the whole staff and students.

# JAI JANANI DIWAS (MAY 12, 2018)

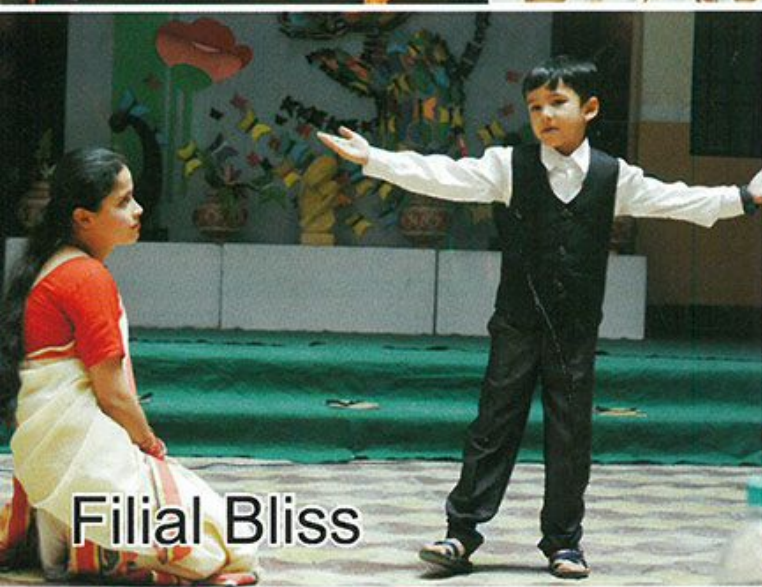

Motherhood is truly a remarkable gift despite of, sleepless nights for child care and patience galore. It is a lifetime adventure which includes learning, listening, loving unconditionally and living in the moment as far as child rearing is concerned. **Orion House** invited the mothers of the students of class X, XI, and XII to celebrate motherhood together. Each and every student in the school prepared greeting card pouring down emotions and reverence for his/her mother. Besides the enthralling rendition on orchestra, moving dance drama 'My Super Man' and interesting games demanding of dexterity and acumen were arranged for the invited mothers. The Chief Guest, **Mrs. Shivani Pandey PCS, Deputy Registrar** enjoyed and commended the efforts of the school. She honoured the winner mothers **Mrs. Deepa Belwal** m/o Rishabh Belwal for 'musical chair and pyramid making, **Mrs. Shweta Bhatt** m/o Aditya Bhatt for 'know your child', **Mrs. Mamta Jain** m/o Sparsh Jain for 'Fastest First' with prizes. Magnanimous event of mothers, the metaphor of love and care culminated with the vote of thanks by **Mrs. Shivani Khanthwal** followed by relishing refreshment.

## गरमी का मौसम

गरमी आई गरमी आई  
टप टप टप पसीना लाई  
खुशियों की बौछार भी लाई  
बुआ नानी मामा मौसी  
छुट्टियाँ संग मनाने आई  
नानी कहती तेज है धूप  
पर हमको करनी मौज है खूब  
आपस में मिलकर खाते पीते  
एक दूजे में रम-रम जाते  
गरमी में भी मस्ती छाई

## 'मई दिवस'

नन्ही उंगलियां बोज़ जब उठाती हैं  
तो रुह फरिश्तों की भी काँप जाती है।  
अल सुबह निकल जाते हैं काम के लिए  
डॉट का नाश्ता मिलता है पेट भरने के लिए।  
जिंदगी बीतती है धोते, भरते, बांटते, चाय गिलासों में  
सपने बीतते भरते रहते हैं आँखों में।  
काम लेते हो तो उसका मेहनताना तो दो  
मजबूरी का फायदा न उठा इंसानियत का सबक तो लो।  
वह भी फूल है इसी चमन का  
उसे भी हक है औरों की तरह खिलने का।  
कुछ को मिलते हैं सेहत भरे टानिक और आबो-हवा  
कुछ को लेनी पडती है भूख मारने की दवा।  
कोई एक यदि किसी एक का हाथ थाम ले  
काम की कद्र कर हालात से उबार ले।  
कहीं भी कोई कमी न आएगी, जिंदगी खूबसूरत हो जाएगी  
फिर तो मे डे मनाने की नौबत ही न आएगी।

## I Like Summer

Summer days are really very long  
Beyond 7 in the evening days prolong.  
Long free time to do whatever you wish  
Summer vacation falls like a bliss.  
We sing our favourite summer songs  
Fan gives music behind the doors.  
The heat of the sun can impact the skin  
And the sweat can spoil our hygiene.  
That's why in summer schools remain closed  
Children must be protected from the sun stroke.  
Summer vacation is the time to rejoice  
Some wholesome family joys.  
Some creativity, some mischief and lots of fun  
With Ice cream, mango & melon, summer is done.

### माँ, तुम और तुम्हारी यादें !

जब भी आँखें मूंद कर सोचा  
थोड़ा अलसाने को  
तब ही तेरी स्मृति मनोहर  
आ जाती मुझे जगाने को।  
सुनसान-सी गर्म तिपहरिया वो आषाढ़ की  
तुझे दूँदा तो पाया पंखा झलते  
और देखा खुद को तेरी नर्म गोद में  
बड़े आराम से आँखें मलते।  
रातें तेरी जागी-जागी, आँखें तेरी सीली-सीली  
मेरा बिछौना सूखा-सँवरा, चादर तेरी गीली-गीली।  
इमामदस्ते तुम कूटती अपनी सुबह  
सिलबट्टे पर पीसती अपनी शामें  
आटे में गूँधती अपना इन्तजार  
और रोटी में सेकती अपने सपने।  
तेरी साड़ी के फूलों में दूँढती मैं  
जाने कब खुद को खो बैठी  
युग बीत गया सब रीत गया  
हर पन्ना मेरे जीवन का  
तेरी यादों से फिर भीग गया।

## MOTHER

A working, or a housewife either,  
Along with other family members,  
Everyone has a mother.  
She is simple and true,  
With unconditional love,  
She cares for you.  
But often we forget our mums,  
And all those things,  
For us she has done.  
To parks, playgrounds and picnics,  
She takes us often  
She takes us to the clinics,  
It is not for fun,  
She knows what is good for her chicks.  
On mother's day take sometime,  
Promise never to hurt her,  
And always make her feel fine.

स्वच्छ बनाएं अपना शहर अपना देश  
घर-घर जाकर देना होगा यह संदेश।  
कूड़ा सदा निर्धारित जगह पर ही फेंकें,  
जो इधर-उधर फेंकें उन्हें तुरंत टोकें।  
कूड़े के लिए प्रयोग में लाओ कूड़ादान  
वर्गीकृत कूड़े के लिए करें अपना योगदान।  
तभी स्वच्छ-भारत अभियान की बनेगी पहचान,  
पुनर्चक्रण से हो पायेगा समाधान।  
शौचालय का करना होगा सदा सदुपयोग,  
तभी बचेगी हमारी गरिमा और बीमारियों पर लगेगी रोक।  
वृक्षारोपण कर जंगलों को आग से बचाएं,  
जल एवं वायु में प्रदूषण कभी न बहाएं।  
नासमझों के लिए शिक्षा का माहौल बनाएं,  
शिक्षा मंदिर में ले जाकर स्वच्छता का पाठ पढ़ाएं।  
स्वच्छ बनेगा भारत तो कोई सपना न रहेगा अधूरा,  
स्वस्थ भारत का मिशन भी होगा पूरा।  
जब होगा भारत साफ-सुथरा दिखेगा दुनिया में बढ़िया,  
संभव है फिर से बन जाए भारत सोने की चिड़िया।

## वृक्ष संरक्षण

वृक्ष हमें देते हैं जीवन  
इनसे ही है हमें मिलता  
हवा फल-फूल और संरक्षण।  
लेकिन आज का मानव  
अंधाधुंध है इन्हें काट रहा  
जो वृक्ष न रहे धरती पर तो  
अन्त मानव का निकट आ रहा  
अगर मानव ने समय रहते  
वृक्षों को न संरक्षण दिया  
वो दिन दूर नहीं जब  
पानी की एक-एक बूँद  
और शुद्ध हवा के लिए  
मानव तरस रहा।  
हर मानव को संकल्प यह लेना है  
वृक्षों को काटने से बचना है  
तभी बच पायेगी हमारी धरा  
हम आने वाली पीढ़ी को दे पायेंगे  
एक सुन्दर जीवन हरा-भरा।  
यही हमारी होगी उन्हें  
सबसे अमूल्य धरोहर क्योंकि  
इसी पर तो है हमारा सारा जीवन निर्भर।

# A Letter to God

My dear God,

Ever since I got in my senses I had been wishing to pay my gratitude to you for blessing me with revered grandparents, loving ma & pa, bubbly siblings, watchful neighbourers, joyful relatives, an ancient great national heritage and a wonderful world. As you very well know your selfish human beings, neither commend nor even remember God unnecessarily. Out of pain only I am penning down my feelings. Though, we all friends excelled in exam, the cruel shuffling and segregation of students has rendered us all scattered. Please God, do one more favour you know friends are rare and they are made, they dont drop like relatives who can be seen in some family gatherings too.

Pals are like green hill by the dusty road of life. They meet by sheer chance only. Do you want to see blooming flowers of your garden whither away?

Then please do some miracle God, to bring us all together once again. Thank You Sir.

Yours loving,

**Sanchi Bhatia IX A2**

## Sentiments of White Board

I am the white board of class IXB just at the left of 'Smart Board'. Truly speaking I am a bit jealous of it which is really smart in look, size, brightness and presentation. Students love to watch lessons in it. But I feel immensely

honoured when in the morning any student or teacher greets me and writes inspiring thought, day, date and the attendance on me only. An eraser with magnet is stuck to me ever ready to do away with unwanted marks on me. Though, this smart board imparts colourful, vivid, working and accurate knowledge of anything yet, during emergency I mean when electricity fails or the system is out of order I, standing

still watching everything meekly with moist eyes come to rescue. Maths and science teachers most frequently take my services. They enhance my simple beauty with the use of colourful markers. On special occasions of festivity students, my best friends decorate me artistically to convey specific messages. Sometimes funny sketch drawn on me makes the whole class bust into laughter. In the age of advanced technology I do not have a better prospect but when I overhear comments for me like: old is gold and machines fail but manual always prevails, I really feel blessed.

**Megha Papola IX B.**

## माँ

आधी दुनिया तो देख ली  
पर तेरे जैसी न कोई मिली  
अब नहीं है कुछ इच्छा मेरी  
तेरे संघर्ष से जीवन्त है जिंदगी मेरी  
तू मेरा साहित्य- दर्शन, तू ही है काव्यांजलि  
रोज सुनाये प्रेरक कहानी नयी-पुरानी  
तेरी ममता की छाँव में जाने कब मैं बड़ी हो गई  
बेटी थी मैं तो तेरी, न जाने कैसे सखी हो गई  
जब भी कुछ तुझको तोड़ गया  
मेरा हृदय भी बिखर गया  
तूने मुझको तो संवारा है  
क्या मैं तुझको न सम्भालूँ माँ ?  
चलो कुछ अदल-बदल कर लें  
मैं तेरा अनुभव ले लूँ , मेरा जोश तू ले ले  
उत्साह से भर देती है मेरी ही लिखी यह पंक्ति  
तू ही मेरा जूनून है माँ , तू ही मेरा गुरु है माँ  
तेरी ही सूरत में मैंने सारी दुनिया को देख लिया।

# Jai Janani Divas Vishesh

## An Insight Into

Perfection is always expected from the children but we never give them opportunity to word their feelings for us. Whether we know or not this is communication gap. On 'Jai Janani Divas' when we gave some questions to mothers and students of class XI most of the

### Which habit of your mother, you like the most ?

- ▲ She is ready to face any challenge at any cost.
- ▲ She never stops me from doing anything such as shopping, colouring my hair and many other things which I love to do.
- ▲ She makes variety of food.
- ▲ Always ready to help others.
- ▲ She is frank with me.
- ▲ She never says lies, she is very honest.
- ▲ She is very hard working.
- ▲ She is friendly to all.
- ▲ She is tension free and cool.
- ▲ Always thinking and doing well for others whether they have done any good or not for her.
- ▲ She never sits idle.
- ▲ Her way of talking innocently like that of a small child.
- ▲ She cares a lot and tries to make me feel contented.
- ▲ Cooking food and when she scolds my sister for doing something wrong.

### Which habit of your mother, you don't like?

- ▲ She is very much concerned about keeping things at proper place.
- ▲ She stops me from replying back to the relatives who talk stupid.
- ▲ She taunts at single mistake for the whole week.
- ▲ She gets angry very soon.

answers of the students and mothers did not match. It reflects communication gap. And we must admit that for the perfect growth of a child it must be bridged. Some of the replies of the students worth sharing are here for an insight.

- ▲ She is my wonder woman, so no dislikes.
- ▲ She gets angry on small things.
- ▲ Telling the same thing again and again.
- ▲ She is very dedicated to her job.
- ▲ She is perfect mother so I like all about her.
- ▲ She always wakes me up early in the morning even on Sunday.
- ▲ She compares us with others.
- ▲ Even when she is ill, she doesn't sit idle which makes the things more complex.
- ▲ Taking photos to post on face book.
- ▲ Nothing is in her to dislike.

### What is your mother's favourite pastime?

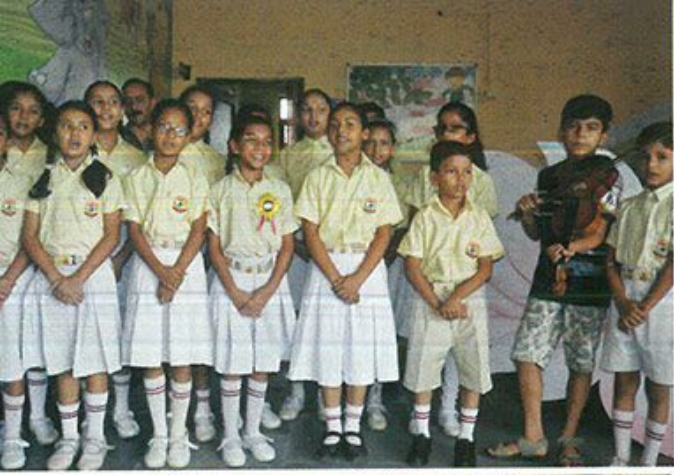

- ▲ Watching TV, listening to songs.
- ▲ Surfing at Internet, gossiping, watching TV.
- ▲ She goes to neighbour's house to gossip.
- ▲ Using Smart phone.
- ▲ Music, movies & social networking.
- ▲ Talking with the relatives over phone.
- ▲ Sleeping & watching TV.
- ▲ What's app, cooking, face book, instagram, TV.
- ▲ Watching serials like Mr. Panchal.
- ▲ My mother never wastes time especially on weekends as she is always busy. If she gets time she calls her sister and talks to her.
- ▲ Reading novels, using mobile.
- ▲ Using phone and watching serials.
- ▲ What's app, talking to me when she is free.
- ▲ Searching new recipes of delicious food for us.
- ▲ Watching TV serials or using FB account and dancing.
- ▲ Learning new things about phone.
