Beautiful Nature

From the title,
You would have understood a little,
Nature consists of plenty of bounties,
But some of them are being,
Destroyed by human beings,
On the first hand,
There are the flowers,
I am one of their biggest lovers,
On the second hand,
Is the tree,
It provides things for free,
The biggest part of the nature for me,
Is my school,
Because there is love only and no frightening rule.

A WINTER MORNING IN KITCHEN *Tanmay Birkhani, UKG-B*

Tea cup came in a tray in a winter morning and stretched its arms in pride as in chilled weather of Nainital, hot tea was poured in it. Rest of the utensils was jealous of him. "How lucky you are!" said wok "for this moment, yes I am. But you are also lucky as vegetables are cooked in you", said the cup. "Not only wok, but cookers, pans and all cooking utensils are lucky" said plate with gloomy face. Bowl, spoon, glass, fork also supported plate. "Plate, be cool. See; you, bowl, spoon also feel warm when hot food is served in you. But think about me and rolling pin and after that people wash us with water. But if we think that we feel bad." Said Pastry board. "People wear warm clothes and use quilts etc. but they don't think about us. They are least bothered about our problems; not even of small-small spoons like me." It was feeble voice of little spoon.

A biggest and oldest pan (which was used only when big gathering occurred, i.e. rarely) said, "Don't feel bad my dear. No one gets all the pleasures. It's up to us how we get it. So instead of thinking about your desire for warmth & pleasure, think about satisfaction people get after having good food in us. They get this feel because of us. We are indirectly source of their good feel. So feel good and thank everyone who was in the journey of making us utensils". Everyone heard the oldest pan and clapped with joy. All the utensils thanked him for showing better side of winters and wished one-another **HAPPY WINTERS!**

Our Class VIII A

Life is full of problems,
But still some make us happy...
So let's take a trip to our class.
We the introducers are the producers.
Let's introduce Ashmi first,
Her emotions are always ready to burst.
Because of her shading, she gets her fame,
Nisha is outstanding in the basketball game.
She is never glum,
Yes, she is none other than Shreeyam.
Rahul squares rock the floor,
One with cricket and other with rock and roll.
Kartiks are the another pair,
In the class, never found on the chair.
Dheeraj, Aarnavya , Pawan and Aditya ,
Are always respecting with a fondness of studying.
Nimanshi, Falguni and Spardha, have gained fame,
Just because of their nick name.

My Study Table

My study table,
It's lovely and beautiful,
Where I study and,
Do my homework,
Keep my books in order,
I take full care of it,
My father's precious gift.

All the rest are the best,
Now we Reetika and Niharika.
Will take a leave,
If in us you believe.
Will meet you next year,
When the exams would be near.

'Rules'

Once principal of a school thought 'let the students make their own rule' and announced it to the students. The children were overjoyed, they made following rules:-

- ★ The school will open on alternate days not every day.
- ★ The children should be allowed to play whenever they wanted.
- ★ There should be a T.V. in every class, so that whenever the students wish they can watch T.V.
- ★ The students should be given fast food as pizza and burger on national festivals.
- ★ The poor children should be given everything free.
- ★ Children should be allowed to wear clothes of their choice.
- ★ There should not be any homework.

The school started following the rules that the students made. The students were very happy and enjoying their time in school.

After sometime half yearly exams started. All the students failed.

They realized that the rules made by the school were for their benefit, and they were not mature to make rules.

They told the principal that there after they would follow old rules only.

After some time annual exams started this time all the students passed.

The students were very happy. They thanked principal for opening their eyes.

Mother's Love

Mother's love is pure snow on the hills,
And the sweet song the bird lark sings.
Mother's love is gentle and sweet,
It is sweeter than any treat.
Love and sacrifice make her face cute,
As children are her life's best fruit.
She protects her babies in majestic palace or in humble nest,
Tries her best to give them the best.
From her eyes nothing is there to hide,
She knows all tricks we have tried.
When we fall on the thorns of life and bleed,
'Maa' is the only utterance we make to plead.
What do we need and always long for?
It is only mother's love, I am sure.
What can improve us as a person better!
Nothing else than the love of our dear mother.

My Autumn Break

Everywhere there is joy,
Navratris and Dussehra are on high.
I too, enjoyed Ramlila a lot,
It's artists, costumes and its plot.
There Ram killed The Ravan,
Here my home-work was also done.
Now there is no tension,
I have already enough rest and fun.
After the break I have terminal tests,
I'll work hard, to be a topper and the best.
When again I'll go to my school,
Having done all my work, I am very cool.

Cricket or Badminton?

There is a big confusion
Whether I should take Cricket or Badminton?
Cricket is my love, Badminton is my passion,
Bat is my lovely friend,
And the racket I love to keep in my hand,
My room is Badminton court, my bed is cricket pitch,
The ball I throw always hits the wicket,
And when I give the service my opponent is,
Not able to return it,
So now you only tell what I should take,
Cricket or Badminton.

She'll like me because,
I am gentle and good.

Welcome 2017!

Let's welcome 2017!
Eagerly waiting for the year still unseen.
With fresh resolution and new promises,
I would keep virtues only of prominence.
I would learn from my mistakes I made last year,
Not to repeat again, I swear.
As Buddha says, I would not defeat people,
But win their hearts.
The positivity and wisdom, I take along,
For the upcoming year to kick start.
Drowning all negativity and frustrations from last year,
With diligence, punctuality, love, solidity,
I welcome 2017 with loads of good luck and cheer!

Ode to that time

Some say it's horrendous,
Some say it's stressing,
While some, an anxiety tremendous
And everyone around pressurizes.
Rather it's an overpowering illusion,
Why to get into silly confusion,
Secret little rendezvous with friends,
That time becomes the latest trends.
First up then down, then in between,
Maths, Science or party with teens.
Simultaneously perplexed amidst contrasting plans,
Eradication of clashes of clans.
Unerringly, it's a recipe of clustering aspirations,
Ultimately, we are heading towards our examination.

That one Sunday in the month of May

It was a beautiful sunny morning. My eyes were wide open at 6 in the morning. I was shocked, how I woke up so early on Sunday when the people including me mostly sleep till late upto 9 or 10 A.M.! Stretching my body I headed towards the lobby where I found my whole family sitting with a bucket of water beside them. How weird! I thought. I ignored them and went to brush my teeth. I turned on the tap but it kept me waiting for water. I moved to bathroom but the same was there. I hurriedly tried every tap. To my utter surprise all the taps seemed to be sighing with their last breaths without a drop of water. I informed my family but they already knew that. Instead, I was informed that there was only single bucket of water in the house. I was surprised. 'How it would do with only one bucket of water in May!' I was pretty relieved to know that there was at least some drinking water.

My Mom came up with an idea. She divided the water, four glasses to each member in the family of five and told that remaining water would be given to the plants. I protested as it was not a fair deal but I had to accept that. After storing the drinking water in the fridge Dad started watering the plants very miserly just like wetting their lips only and I was keeping an eye on Dad so that he might not sip a bit of water himself. My Mom did not allow me to play. She feared that if I played I would be too thirsty to save my water for the day. I was getting bored. I realized that there is no life without water. It is well said that "बिन पानी सब सूत"

It was 7'O clock in the evening, two hours yet to go to sleep. Suddenly, I felt very thirsty, could resist no longer and drank my last glass of water. I went to bed earlier that day hoping that I would fall asleep but I started feeling irritated with some disturbing sound. I thought it was my imagination or a dream. I got up and found my family members rejoicing at the arrival of water at 8:30 P.M. I was happy, so happy that it took my sleep off. All were busy in storing the water. Next day when I woke up I really thanked and welcomed the water and pledged to conserve water by avoiding all kinds of its wastage.

Composition (Funny Incident)

One day, my father was walking in the courtyard. I was also walking, with him. My father said, "Go and bring bread" I did not listen what exactly he said to me. So, I went and brought blade and I gave to my father. He said "Are you mad?" and he started laughing but I did not understand why he was laughing. After some time, my father told why he was laughing and I also started laughing. This is a funny incident of my life which I cannot forget.

Never Tell a Lie

One day Heena brought one new pencil to the school but she told a lie to her friend Teena that she had not brought any pencil.

Teena was so gentle that she gave her own pencil to Heena. Now Heena had two pencils, but Teena was without any pencil. When the teacher started writing on the board students started copying it down in their note-books. The teacher noticed that Teena was not writing. The teacher asked the students to give one pencil to Teena. Heena at once gave her pencil but Teena asked, "What would you do, you don't have any pencil?" She was speechless and told the whole story. The teacher told them to speak always the truth as lie can't stand for long, sooner or later it tumbles down.

AUTOBIOGRAPHY OF A PENCIL

I am a very tiny pencil in a very bad shape. However, this was not my condition when, I was born a year ago. I was a gorgeous looking pencil.

I was given a blue body with a black tooth called lead. Immediately after I was born I was sent to a stationery shop where I was sold to a small girl named Pakhi. She took me to school every day in a small box which was very suffocating. My worst enemy was sharpener who came from another family called Nataraj. Many times the sharpener would shave my skin off with its sharp teeth. And I would feel very apprehensive. Pakhi made me write all her school work till I was lived. One day she forgot me in class and the cleaner took me to his house to give me to his son who used me to do all his drawings. I was very roughly used and one day when he was angry, he threw me into a dumpster on the street. Soon I was picked up by a person dressed in rags. He kept me in his pocket and afterwards gave me to a small boy. This boy used a blade to shave my body. Now I have become very small and lying in a dark corner of a drawer. I feel very doleful when I think of those wonderful days when people marveled at my beauty. I wonder how long I will have to stay and remain imprisoned in this untidy drawer. Then one day suddenly a splash of light came to my face and I am amazed to see that I have got a new friend Camlin. We happily stay together and wait for someone to take us out from the drawer and keep in a clean and safe place.....

गलती का एहसास

प्रिय माँ,

मेरी प्यारी-प्यारी मम्मी मुझे आपको एक बात बतानी है, लेकिन डर लग रहा है कि यह बात जानने के बाद आप मुझे मारेंगी।
मम्मी मैंने आपसे झूठ बोला था कि मुझे टेस्ट के अंक नहीं मिले हैं। लेकिन यह सच नहीं था। मेरे अंक बहुत कम थे इस कारण मैंने छिपा लिए थे। मुझे माफ कर दो माँ। आगे से मैं खूब पढ़ाई करूँगा, अच्छे अंक लाऊँगा और कभी कुछ नहीं छिपाऊँगा। मैं जान गया हूँ कि सच कभी छिप नहीं सकता और झूठ कभी टिकता नहीं। आपके विश्वास को तोड़कर मैं बहुत दुःखी हुआ हूँ। माँ मुझे एक बार माफ कर दो बस।

धन्यवाद

दूसरों के प्रति सेवा भाव

सेवाभाव एक ऐसी रिपुंजयी मनोवृत्ति है जो हृदयंगम हो 'बांटनवारे को लगे ज्यों मेंहंदी को रंग' की भाँति सेवाभावी एवं सेवाग्राही दोनों को प्रफुल्लित रखती है अकेले आने-जाने वाले मनुष्य से जीवन के मेले में अपनी अर्जित क्षमताओं एवं सामर्थ्यानुसार इस विश्व रंग-मंच पर अच्छी प्रस्तुति देकर जाना ही अपेक्षित है। कोई तो शकल दो खुदको, चाक से उतरो तो किस काम के हो। कर्म ही मनुष्य की पहचान है। धरती पर निःस्वार्थ सेवा-सुश्रुषा से परस्पर दुख-दर्द बाँटकर भगवान को दायित्व-वहन में सहयोग ही तो हमारा जीवन-निमित्त है। हम यदि इस समष्टि-समूह में अपने ही लिए लिए तो क्या लिए। पशुवृत्ति है जो आप-आप ही चरे। सेवा भाव की पुष्टि के लिए प्रकृति सदैव प्रेरणास्रोत रही है। 'वृक्ष कबहु ना फल चखै, नदी क्यों संचै नीर'। क्षिति जल पावक गगन समीर सभी प्रकृति के निशुल्क अनुदान हैं। शिव का विषपान दधीचि का अस्थिदान शिवि का अंगदान और ईसा का जीवनदान आदि सेवाभावी सुकृत्यों से विश्व संस्कृति ओतप्रोत है। सेवा भावना हमें स्वार्थ कटुता और वैमनस्य से ऊपर उठाकर उदात्त बनाती है। संत तुलसीदास द्वारा दरबारी राजकवि रहीम की सदाशयता की मुक्तकण्ठ-प्रशंसा 'देनी ऐसी दीन जू, कित सीख्यो हुसैन, ज्यों-ज्यों कर ऊँचो उठै, त्यों-त्यों नीचै नैन' के प्रत्युत्तर स्वरूप रहीम की उक्ति तो विनम्रता की पराकाष्ठा है - 'देनहार कोई और है, देवत है दिन रैन लोग भरम मोपै करे, तासो नीचै नैन'। विनम्र सदभावना के समक्ष तो तमाम कायनात सहायतार्थ झुक जाती है और प्राणी मात्र को हमारी चिन्तन परिधि में खींच लाती है। जब इंसान अपनी फिक्क को उड़ा देता है तो खुदा भी उसे खुला आसमान देता है। आवश्यक है कि मानवीय-वृत्तियाँ निःस्वार्थ, बहुजन हिताय एवं सर्वान्तः सुखाय हों।

मेरा बचपन

आज कलम उठाई मैंने,
सोचा कुछ लिख लूँ।
अपने बचपन की यादों को,
कुछ शब्दों में पिरो दूँ।

क्या थे बचपन के दिन
माँ की थीं लोरियाँ
दादी की कहानियाँ
सब कितना सुहाना था
कितना खुश रहता था मन।

दोस्तों के साथ खेलना
पल में लड़ना, पल में मनाना
क्या मेरा घर, क्या उसका
हर घर था हमारा।

गुड्डे गुड़ियों का
कितना प्यारा था संसार
दूरदर्शन पर आने वाले
चित्रहार का करते थे
हफ्ते भर इंतजार।

बारिश में कागज की नाव बनाते
माँ की डॉट से आँखों में आँसू आ जाते
फिर माँ के आँचल से आँसू पोछते
और माँ के आँचल में छुप जाते।

पर एक दिन एहसास हुआ
यह क्या हो गया
हम आगे बढ़ गये
बचपन वहीं खड़ा रह गया
क्योंकि बचपन तो उस
कागज की तरह है,
जो जलने के बाद, फिर
कागज नहीं बनता
हम बड़े हो जाते हैं

बचपन की यादें रह जाती हैं
पर बचपन नहीं लौटता।

मैं कभी-कभी यह सोचती हूँ
कल और आज में कितना है फर्क
न गलियों में घूमते बच्चे हैं,
न बारिश में नाव बनाते
घर में मोबाइल और
कम्प्यूटर से खेलते
अपना बचपन बिताते।

आज कितना सिकुड़ गया है बचपन
इस इन्टरनेट विज्ञान के युग में
कहीं खो गया है बचपन।

चलो आज हम फिर से
इन बच्चों के बचपन को
करें गुलजार
इन्हें गुड़ियों का दें उपहार
और परियों का संसार
और परियों का संसार।

भ्रष्टाचार

प्रधानमंत्री श्री नरेन्द्र मोदी जी ने जब देश में किया,
नोटबंदी का ऐलान,
ईमानदार लोग प्रसन्न हुए,
और भ्रष्टाचारी परेशान।
५०० और १००० के नोटों ने,
मचाया ऐसा तूफान,
हेकड़ी निकल गई भ्रष्टाचारियों की,
और निकल गई झूठी शान।
काले धन को सफेद करने के चक्कर में,
बना रहे नित्य रोज नये प्लान।
नोट ऐसे पड़े हुए हैं, जैसे हो कोई रददी,
५००,१००० के नोटों के चक्कर में,
नेताओं की खिसक गयी है गद्दी,
अब कैसे ५००, १००० के नोट देकर,

वोटरों को लुभायेंगे।
काले धन पर अंकुश लगाकर,

देश में समानता लायेंगे।

मोदी जी के इस संकल्प को,

हमें आगे बढ़ाना है।

देश से भ्रष्टाचार मिटाकर,

सुन्दर भारत बनाना है।

कोहरा भरा गीत

आया आया रे सर्दी का मेहमान
छाया-छाया रे भइया कोहरा घमासान
बच्चे बूढ़े और सभी हुए परेशान
बाइक चलाओ तो कुछ दिखता नहीं
सूरज दिन में भी टिकता नहीं
रेलगाड़ियां लेट हो रहीं, कैसल हवाई यान
टोपी मफलर कम्बल लादे
टपके नाक और ठिठुराए जान
छोरा छोरी फरक न समझे
सब पर मारे जुकाम।
कोहरे ! अब तो पिघल भी जाओ
शीत बनो मेहरबान
अब तो विदा हो जाओ मेहमान।
शीत भरे कोहरे का होगा बड़ा एहसान।

'माफ़ी का इंतजार'

एक बार मैं अपने छोटे भाई के साथ छुपन छुपाई खेल रही थी। मैं हर बार एक बड़े से गमले के पीछे छुप जाती थी। वह गमला बहुत सुन्दर था और मम्मी उसमें माली से फूल लगवाना चाहती थी। अचानक मेरे पाँव से एक पत्थर उछला, और उस गमले का किनारा टूट गया। मेरी मम्मी बहुत नाराज हो गई थी और माफ़ी मांगने पर भी मुझसे बात नहीं कर रही थी। मेरा खाना मेरे कमरे में रख जाती थी। मुझे बहुत बुरा लग रहा था। एक दिन मुझे हिन्दी - निबन्ध में 'स्टार' मिला। उस दिन शायद मम्मी को मुझ पर गर्व हुआ था, थोड़ी मुस्कुराहट उनके चेहरे पर दिखाई दी। मैंने माफ़ी माँगते हुए उन्हें एक पत्र लिखा। मम्मी ने मुझे माफ़ कर दिया था। मैंने मम्मी से वादा किया कि अब मैं ऐसी गलती कभी दोबारा नहीं करूँगी।

मेरी माँ

समझ न आए जो, वह एक पहेली है
कभी हमारी गुरू, कभी एक सहेली है
कभी हमें डॉट देती, बड़ी अलबेली है।

कभी हमें खूब पढ़ाती
अच्छी-अच्छी बातें समझाती
कभी हमें खेल खिलाती
खुद भी बच्चा बन जाती।

दिल में है उसके बस प्यार ही प्यार

वह सुनती है मेरी हर पुकार

मुझे चोट लगने पर घबरा जाती है

मैं हँसू तो खिलखिलाती है

जानते हो वह है कौन ?

अरे भई, वह है मेरी प्यारी प्यारी माँ।

क्या है जिन्दगी ???

जिस तरफ गुजरे हम,
नाम एक ही सुना था 'जिन्दगी'।
हमने सोचा कोई हमें बता दे।
क्या है जिन्दगी।

गरीब से पूछा, तो बताया,

पैसा ही पैसा है जिन्दगी।

अमीर से पूछा तो बताया,

आराम ही आराम है जिन्दगी।

राहगीर से पूछा, तो बताया,

मंजिल प्राप्त करना ही है जिन्दगी।

अंधे से पूछा तो बताया,

नयन प्राप्त करना है जिन्दगी।

हारे हुए कलाकार से पूछा, तो बताया,

जीतना ही जीतना है जिन्दगी।

अन्त में गुरू से पूछा,

कि आखिर क्या होती है जिन्दगी ?

तो उन्होंने बताया कि ,

हार कर संभल जाना ही है

जिन्दगी।

Be Always Kind (Picture Composition)

There was a pond near a garden. Some frogs lived in that pond. They were enjoying themselves in the pond. At that time some mischievous children came near the pond while playing. They started harassing the frogs by throwing pebbles at them. The frogs dispersed here and there to save their lives. The children still continued throwing pebbles at them. One wise girl was watching this childish act and she was upset by this.

She went to the children and scolded them for their unkind act. There she explained to the children that they were harming the helpless small creatures and that was not good on their part.

The children realized their mistake and were ashamed of themselves. They were sorry for what they did.

They promised never to repeat that type of silly act again in future.

तिरंगा

झंडा ऊँचा रहे हमारा,
यह हमको प्राणों से प्यारा।
सबसे ऊँचा है यह झंडा,
तीन रंग कहलाएँ तिरंगा।

केशरिया रंग वीर बनाए,
हरा रंग खुशहाली लाए,
श्वेत रंग शांति दूत बन जाए।

एक चक्र है इसके अन्दर,
रात और दिन यह काम करए।
हम सब की है शान तिरंगा,
भारत की पहचान तिरंगा।

हास्य कविता

मच्छर से मुलाकात
बैठे थे हम आँगन में
करके थोड़ा सैर सपाटा।
वीन बजाता मच्छर आया,
उसने पट से हमको काटा,
हमने धर दिया उसको एक चाँटा,
कहा- मच्छर भाई हमें क्यों काटते हो ?
बिन टोकन के हमारा खून क्यों चाटते हो ?
मच्छर बोला बहन मान्या हमें क्यों डाँटती हो
आप हमारे अन्नदाता आप हमारे जन्मदाता
आपका हमारा प्यारा नाता।
हम अपना विस्तार स्वयं कहाँ कर पाते हैं
डेंगू और मलेरिया हम बिन भेदभाव फैलाते हैं।
कान पे चढ़कर वीन बजाकर रात-रात जगाते हैं
हमारी सेवा के कारण घर में चोर नहीं घुस पाते हैं।
मच्छर की करुण- कथा को सुनकर
दुख से ज्यादा गुस्सा आया,
हमने झटपट साफ किया घर,
गलियों में छिड़काव कराया।
मच्छर जी की इस आत्मकथा से
मित्रो कुछ बात समझ में आयी ?
कविता मेरी खत्म हो चुकी
ताली अब तक नहीं बजायी।

जुवान

आज तुम अपनी जुवान को आवाज दे दो,
अपने दिल की आवाज को अल्लाह का पैगाम समझ लो,
अपने दर्द को अपनी हिम्मत बना लो,
अपनी बातों को जुवान दे दो,
अपने आप को परखो,
दूसरों को मत देखो,
लोग तो जीत जाएंगे,
अपने आप को मत रोको,
बस अपनी बातों को जुवान दो,
अपनी मुरादों को खुद पूरी करो,
मंजिलों का फैसला तुम खुद करो,
ऊँचाईयों को छूने की कोशिश आज ही से करो,
बस अपनी बातों को जुवान दो।।

दोस्ती

दुनिया में सबसे प्यारा रिश्ता है दोस्ती,
दुनिया में सबसे प्यारा फरिश्ता है दोस्त,
परायों को अपना बनाती है दोस्ती,
दुश्मनों को पास लाती है दोस्ती,
जिन्दगी का हर पहलू सिखाती है दोस्ती,
जिन्दगी को मजेदार बनाती है दोस्ती,
दोस्ती है वो प्यार जिससे करे न कोई इंकार,
दोस्ती में ऐसी तो कोई बात है,
ये जिन्दगी का सबसे अच्छा एहसास है,
एक - दूसरे को करीब लाती है दोस्ती,
एकता और प्यार बढ़ाती है दोस्ती,
चेहरे पर सूरज-सी चमक लाती है दोस्ती,
जिन्दगी को जीना सिखाती है दोस्ती,
ये दोस्ती है इसे प्यार से अपनाना,
इसे कभी न टुकराना,
दोस्ती है वह फूल जो सभी को है कबूल।

घड़ी का पाठ

टिक-टिक करती घड़ी रात दिन,
हमको पाठ पढाती हैं,
खेल-कूद में समय न खोओ,
घड़ी तो चलती जाती है,
बीत रहा है जीवन क्षण-क्षण,
कभी न वापस आएगा,
करना है जो आज करो तुम,
कल तो कभी न आएगा।

सुरक्षित दिवाली

होली रंग का और दिवाली है उजाले का त्यौहार
वर्ष भर करते हैं हम इस दिन का इंतजार।
माँ लक्ष्मी का पूजन होता है हर घर-द्वार
चूँ तो मिठाई के बिना सूना है त्यौहार
पर हर मिठाई खाना भी तो है स्वास्थ्य के लिए बेकार
चमचमाते बल्ब सजाते हैं बन्दनवार
पर सावधान ! कहीं छू न जाए बिजली का तार।
पटाखों, फुलझड़ियों, बम अनार की धूम और धुआँ
इतना भी न करो कि बच्चे-बूढ़ों का मुश्किल हो सोना
डेंगू के बचाव में धुआँ है मच्छर मार
पर समझदार वही है जो इनसे है खबरदार
और बड़ी शान्ति एवं श्रद्धा से मनाता है दिवाली का त्यौहार।

On 30st Dec.2016 in a vast well embellished play ground with finely marked tracks, flags, cones, inviting pavilion, sports event started with usual inauguration ceremony. Sports teacher **Mr. Harsh Goel** lit the athletic flame signifying the commencement of the event. The release of colourful balloons and a pair of pigeon added a classic touch to the proceedings. Principal **Mrs. R.K.Bisht** declared the meet open. With **Saumya and Sarthak Agrawal of class XI** on mike, sports pledge was taken. Principal Ma'am encouraged the players to play fair and enjoy the event.

Little kids' innocent efforts devoid of competitive spirit of win or lose on the track were worth watching. **4X400 mts. girls' and boys' Relay race, 100 mts. Sprint and Tug of War** remained the most exciting events, cheered by all. The most jubilant and exuberant movement was on the victory stand when the winners relished the taste of **Gold, Silver and Bronze**.

Mrs.Poonam Negi presented vote of thanks and commended the efforts of the students, sports department and supporters for making the event successful and memorable.
