HOMEWORK
CLASS V

**Here's to a summer vacation
that's a playground for your
imagination, where you can
dream big, set goals, and work
towards achieving them.**

Dear Parents and Students,

As we embark on summer vacation, we wish you a season filled with joy, relaxation, and adventure.

This break is a fantastic opportunity for students to recharge, spend quality time with loved ones, and explore their interests outside of school. It's also a great time to ensure learning never stops.

Students, we encourage you to read for pleasure, engage in creative activities, and perhaps learn something new. Remember to balance fun with a bit of learning to keep your minds sharp. Here are some tips:

1. Review your upcoming assignments and start your holiday homework with enthusiasm.
2. Develop a study routine with dedicated time each day for studying.

Parents, thank you for your continuous support throughout the school year. Your involvement has been crucial to your child's success. We hope you enjoy this break as much as your children do.

We're excited to see your child return refreshed and ready to tackle the rest of the term. Our teachers are dedicated to support their continued learning and growth. We welcome students back on Thursday, July 4, 2024.

Have a fantastic summer, and we look forward to seeing you all soon!

Warm regards,
Dr. Gayatri Kanwar
Principal
